TRAINING			
<ol style="list-style-type: none"> 1. During the week of August 18 and onwards, 3 emails will be sent to all participating students through email addresses provided. The emails will consist of links to video content and, reading material to assist with the camp and also to working with people with aphasia. 2. An orientation will be held to address the objectives, expectations and roles and responsibilities. Time, date and place will be provided by email. 			

During Camp

1. Meals are set throughout the day – snacks, lunch and dinner. Please let us know if you have any dietary needs/restrictions. Campers, students and Clinical Faculty all eat meals together. Please feel free to bring snacks/nibbles that you prefer to snack on throughout the day.
2. You will be grouped in teams. The goal of the camp is to ensure campers have access to activities, while also providing the opportunity for social interaction between campers. You will be developing the skills to ensure these successful interactions occur. You will have the opportunity to develop rapport with other students and, learn from each other through leading activities over the weekend.
3. You will have the opportunity to meet with your team leader/clinical faculty member, both as a team and individually. You may also request meetings as needed.

Post Camp

1. Student volunteers will be contacted by phone or email to attain their input on the workings of the above.
2. We also encourage each student volunteer to share input and experiences with their team leader during the Camp.
3. Any student requiring signature for IPE/clinical hours can have their forms signed either at the end of the camp or thereafter.

If you have any questions or concerns, please do not hesitate to contact Stephanie Harvey, SLP at: Email: stephanie@hellospeechworks.ca
